

## Unity in the Battle Against Vision Impairment

Show your support for the millions of Americans affected by Vision Impairments.

Wearing a V.I.P. (Visually Impaired Person) wristband will show your support or help identify that you have a visual impairment.

Most people who have an impairment don't look different from those with normal vision: the wristband helps alert the grocery clerk, bank teller, bus driver, police officer or rescue personnel to their special needs.

Proceeds from the sale of these wristbands will go towards research & rehabilitation of eye diseases, such as, Macular Degeneration, Diabetic Retinopathy and others . The wristbands are white with red lettering. A donation of \$2.00 will get you a V.I.P. bracelet. You can pick up your V.I.P. bracelet at: Magnifiers & More, 7775 Mentor Avenue, Mentor, OH 44060 or call 440-946-3363 for more information.

Your thoughtfulness has just brightened  
a visually impaired persons' life!
