

Murphy's Holiday
Greetings

**It may be getting colder outside but
remember you *STILL* need to wear your UV protection
glasses, especially when there is glare
coming off the snow!**

Woof! Woof! Christmas Time is Finally here!

Murphy with Santa - December 2006
"Now I know I'll get what I want for Christmas!"

Lots of cold and snow will bring Christmas cheer!

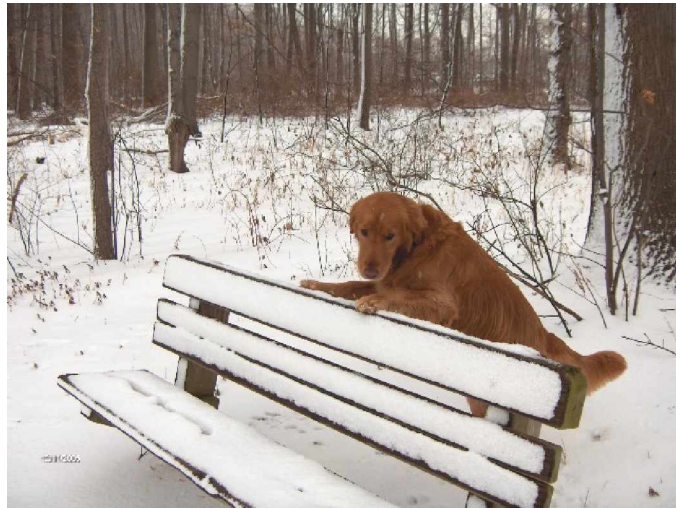

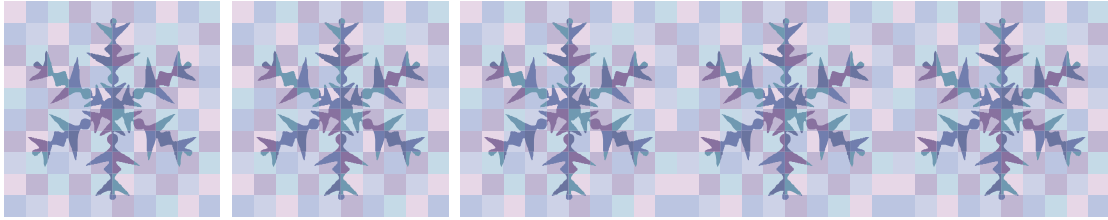

"Mommy, look what Santa brought me!"

I've made my list and checked it twice.

"Santa and I know who worked VERY hard this year!"

"The only thought I have is....Boy! I Love the Snow!"

"Look Mom, are all these presents for me?"

“Wishing you a very Merry Christmas & a Happy, Healthy New Year filled with lots of treats!”
