## My Summer Fun

I am so glad that summer is here! Now, mom & I can spend fun time together!

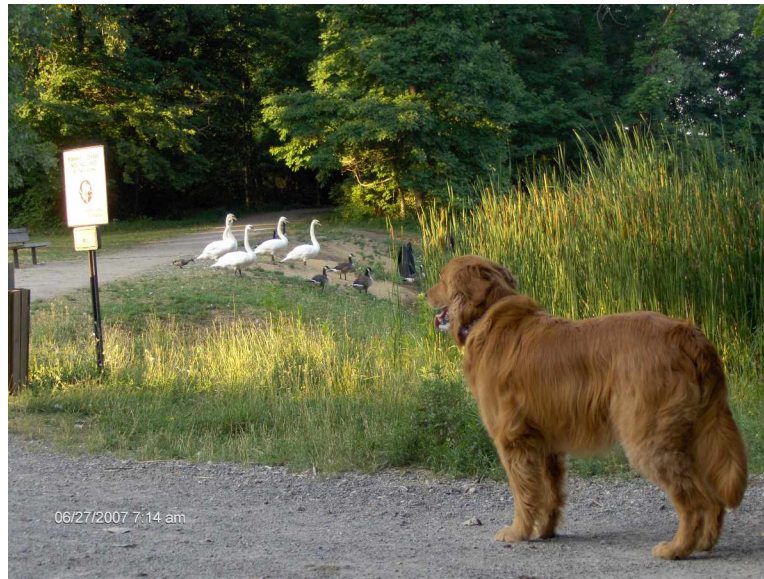

One of my favorite places to go is Lake Erie

The cool water feels great on my paws!

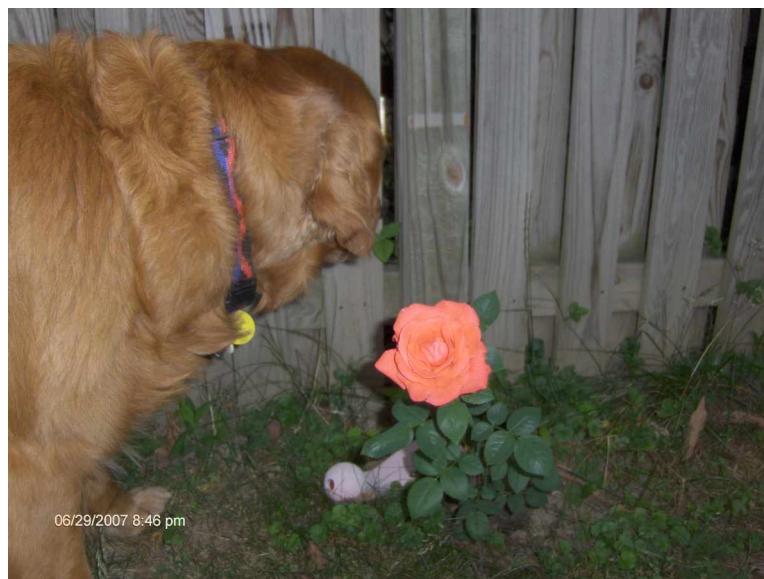

I'm a bird dog.....

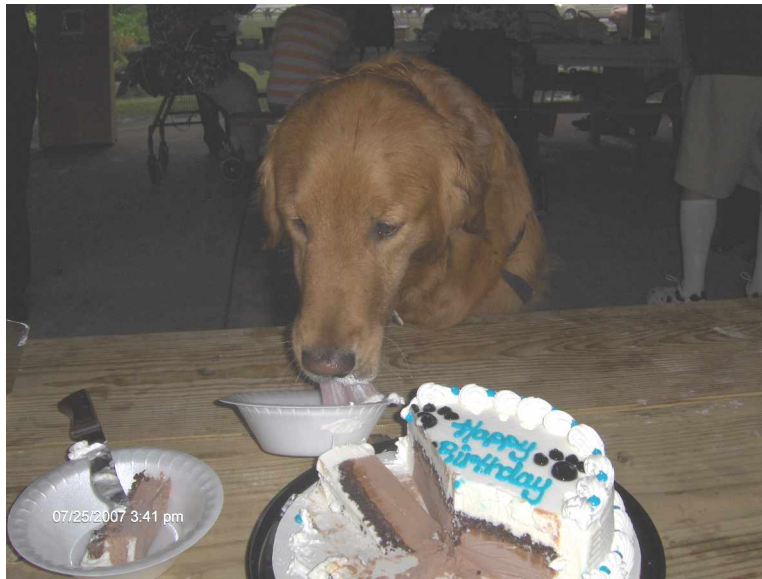

Hey there want to play chase?

Another thing I like about summer is that there are plenty of flowers. Mom does a great job in keeping me happy with plenty of flowers around the house.

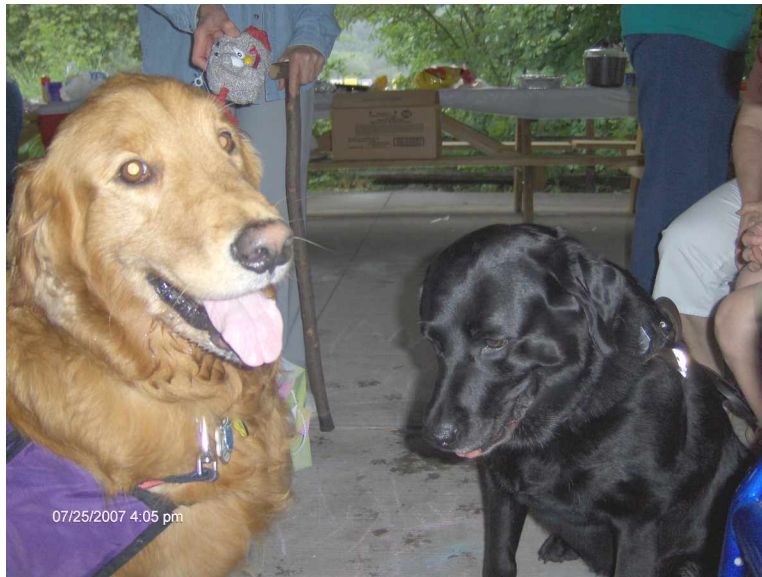

I hope there are no bees in this flower!

The best thing about summer is that I get to celebrate my birthday! Mom let me have some friends over for a picnic and we got to eat ice cream cake and lots of food.

Good to the last lick!

I love receiving presents, especially when they come from my favorite UPS driver, Larry.

What's inside? I hope it's a toy or a treat!

The leaves will soon be changing colors and fall will arrive in a few short weeks. I can't wait cooler weather and more play time in the leaves and football time. I'll post some of my Fall pictures real soon, in the meantime enjoy the last days of summer 2007.

Happy Tails,
